

Adhesive Backed Tie Mount

TECHNICAL DATASHEET

SNOWLITE[®]

Adhesive Backed Tie Mount

The Adhesive Backed Tie Mount is designed for quick and secure cable fastening without drilling or screws. It provides a clean and efficient solution for organizing cables on smooth surfaces in electrical and utility installations.

FEATURES

- Adhesive backed design for quick and easy mounting on flat surfaces.
- Easy peel off backing for fast installation.
- Allows insertion of cable ties to securely fix wires.
- Made from UL approved Nylon 66 with 94V 2 flammability rating.
- Strong and durable construction for long term use.
- Suitable for neat and organized cable management.
- Available in all colors.
- Supplied in packs of 100 pieces per bag.
- Dimensions specified in millimeters and inches.
- Ideal for electrical industrial and utility applications.

About Us

Snowlite began its journey in 2006 with a vision to become the most trusted electrical brand in the world. Guided by this purpose, we have built a strong global footprint across 20+ countries in Europe, Africa and Asia over the past two decades.

Today, Snowlite has developed advanced manufacturing capabilities in India, Turkey, Malaysia and China. Our identity is shaped by three core commitments reflected in every product we create- innovation, quality and affordability.

At Snowlite, we serve residential, industrial and commercial sectors. Our ever-expanding product portfolio includes cables, lighting, tools, switching devices, control and automation equipment, ventilation systems, protection devices and accessories.

More than 3,000 retail partners and 100,000+ end users place their trust in our products thanks to our consistent focus on quality and support throughout the product's lifetime.
