

STAINLESS STEEL CABLE TIE

TECHNICAL DATASHEET

STAINLESS STEEL CABLE TIE

The Stainless Steel Cable Tie is designed for secure bundling and fastening of cables and wires in demanding environments. Made from high quality stainless steel, it offers superior strength, corrosion resistance, and long lasting performance.

FEATURES

- Made from high quality stainless steel for durability and strength.
- Excellent corrosion resistance for use in harsh environments.
- Strong locking mechanism for secure cable bundling.
- Suitable for indoor and outdoor applications.
- Flexible yet sturdy design for versatile use.
- Ideal for electrical industrial and utility cable management.
